

NIGHT SHIFT PAINTER TOOWOOMBA

TUFF Coatings provides powder coating and painting services for businesses in South East Queensland and is part of the TUFF Group Australia which employs 80 people at its Toowoomba facilities.

TUFF Coatings has established a reputation for quality coating services, timely delivery, as well as innovation. Our business provides powder coating, automotive & industrial painting, polishing, rhino liners, and abrasive blasting services.

Due to continued growth we are looking for an Automotive/Industrial Spray Painter based at our Toowoomba location to work on our night shift - to deliver quality outcomes for our clients across Australia. This is an ideal opportunity for an outstanding individual who desires long term stable employment in a nationally recognised company.

Experience:

- Highly developed knowledge of the coating industry
- Previous experience, accompanied by a willingness to learn new skills is essential
- Exceptional communication skills
- Excellent work ethic
- Strong commitment to completing assigned tasks
- Knowledge of surface preparation
- Ability to follow correct procedures and guidelines
- Can undertake industrial painting as well as automotive

Desirable:

A forklift licence is an advantage in the position but not essential.

Applicants looking to further knowledge and develop skills are also encouraged to apply, as our team has painter(s) with decades of experience.

This position would be a minimum 38 hour working week, with the potential of full-time employment and an excellent hourly rate offered to the right applicant. We would also accept applicants who would be looking for 24 hours or more part-time per week

All applicants with the relevant experience need to submit outlining their skills and experience in a resume with the inclusion of a minimum of 2 (two) phone references.

For your opportunity to be part of a truly diverse, supportive organisation that believes its people provide the platform to its success, apply now at www.tuffaustralia.com.au/careers or contact Administration Officer Sarah Wilkins for further information.
